IN THE MATTER OF THE APPLICATION OF
ARIZONA PUBLIC SERVICE COMPANY FOR
APPROVAL OF A TIME EXTENSION FOR
THE GREEN CHOICE PROGRAM

DOCKET NO. E-01345A-13-0388
APPLICATION

Arizona Public Service Company requests that the Commission approve a one-year extension of the Company's Green Choice Program and the associated Green Power Rate Schedules GPS-1, GPS-2, and GPS-3. The Green Choice Program provides customers, who may not otherwise be able to acquire renewable energy, with the ability to participate in a renewable resource program by purchasing electricity generated from renewable resources for their homes and businesses.

The currently effective Green Power rate schedules were approved by the Commission in Decision No. 73697 (February 13, 2013). As approved in the Decision, the current rate schedules will remain in effect through 2013. APS seeks to continue the Green Choice Program, retain the currently effective Green Power rate, and extend the Green Power rate schedules for an additional calendar year beginning January 1, 2014. This extension will allow over 2,500 currently subscribed Green Choice

1 customers to continue their participation in a successful and well-received renewable
2 resource program that has been available since July of 2007, and the retention of the
3 current Green Power rate will provide an additional year of price stability for current and
4 future customers desiring to participate in the Green Choice program.
